

ASSIGNMENT OF COPYRIGHT

The *British Columbia Medical Journal* is pleased to publish your article entitled: _____

In consideration of the publication of the article, the author grants to the British Columbia Medical Association (BCMA) or our successors the entire worldwide right, title, and interest to the article referred to above, including copyrights and other rights, as well as any renewal, extension, or revision of copyright, now or hereafter provided, in any country. The author also waives the moral rights to the article in favor of the BCMA.

The author warrants that:

- The article is an original work not published elsewhere in whole or in part, except in abstract form, that he or she has full power to make this grant, and that the article contains no matter libelous or otherwise unlawful or which invades the right of privacy.
- The article has not been previously published and that if portions have been previously published, permission has been obtained for publication in the *BC Medical Journal*, and the author will submit a copy of the permission release and copy for credit lines with the manuscript.
- All individuals named in an “acknowledgement” have given their written permission to be so mentioned.
- All individuals listed as authors have contributed in a substantial way to the intellectual development of the article, and that the article does not infringe on the intellectual property rights, including copyright, of any third party.
- All references cited in the article are accurate.

The BCMA grants each author the non-exclusive right to present the article at a conference and to distribute on a non-commercial basis up to 50 copies of the article to patients and colleagues. The BCMA grants the royalty free right to republish as a chapter in any book of which he or she is an author or editor, subject to the express condition that lawful notice of claim of copyright be given to the BCMA.

The author will receive no royalty or monetary compensation for the assignment set forth in this agreement. This agreement shall be governed by the laws in force in the province of British Columbia, Canada.

If the article is not accepted for publication by the *BC Medical Journal*, this transfer will not take place. Please indicate your understanding and acceptance of the terms of publication by signing and dating this agreement and returning it promptly to the *BC Medical Journal*. One author may sign on behalf of all co-authors.
