INDEX TO BRITISH COLUMBIA MEDICAL JOURNAL VOLUME 50—JANUARY–DECEMBER 2008

Index includes the title of the article. Asterisk (*) indicates a clinical review article. Back Page (bp), BC Centre for Disease Control (cdc), Editorials (ed), correspondence (c), Council on Health Promotion (cohp), opinions (op), General Practice Services Committee (gpssc), Good Guys (gg), In Memoriam (im), Insurance Corporation of British Columbia (icbc), Library of the College of Physicians & Surgeons of British Columbia (lib), Medical student column (bcm2b), Point•Counterpoint (pcp), Premise (op), Pulsimeter (pu), Special Feature (sf), and WorkSafeBC (wsbc) items are noted by abbreviations. Location of article is by issue number followed by beginning page number.

- Abramson BL: Atypical antipsychotics, schizophrenia, and cardiovascular risk: What family physicians need to know* 8:444
- Achen M: Mother, infant, and syphilis: increasing cause for concern in British Columbia (cdc) 1:17
- Al Lawati N: Acute exacerbation of chronic obstructive pulmonary disease* 3:138
- Al Talag A: Non-pharmacological management of chronic obstructive pulmonary disease* 2:90; Clinical physiology of chronic obstructive pulmonary disease* 2:97
- Albersheim S: Management of the newborn delivered at the threshold of viability* 9:498; Ethical considerations at the threshold of viability* 9:509
- Albrecht JE: Bilateral pneumonia: Lessons learned from an unusual presentation* 1:22
- Allard C: The case for a supervised drug consumption site trial in Victoria, British Columbia (op) 3:130
- Anderson SD: TBI and iatrogenic morbidity (c) 1:11
- Andrade J: Cardiovascular risk assessment: Identification of individuals at increased risk* 5:246; Infective endocarditis prophylaxis: An update for clinical practice* 8:451
- Appleton G: The consensus? There is no consensus (op) 1:10; Members spoke—and we heard you (op) 2:59; In defence of democracy (pcp) 2:61; Decisions are made by those who show up (op) 3:121; President responds (c) 4:185; June 2008 AGM: A little out of the ordinary (op) 4:187; Reflections on a year (op) 5:241
- Armstrong RW: Focus on the profession: Academic and clinical departments* 7:390
- Arruda W: Out of control: Solving the child and youth mental health crisis (cohp) 6:298
- Attridge S: Book review: *The Asthma Educator's Handbook* (pu) 3:158
- Ayas NT: The impact of sleep deprivation in resident physicians on physician and patient safety: Is it time for a wake-up call?* 10:560
- Baillie H: Good work! Could do better (c) 8:439
- Bain T: Book review: *While Bullets Fly* (pu) 9:518
- Baker M: Good work! Could do better (c) 8:439
- Baker R: CAST concerns (c) 1:14; Re: CAST replies (c) 4:185
- Balfour J: Maternity program shortfall (c) 5:242
- Barn P: Is living near power lines bad for our health? (cdc) 9:494
- Barua M: Atypical antipsychotics, schizophrenia, and cardiovascular risk: What family physicians need to know* 8:444
- Bates J: Medical school expansion in BC* 7:368
- Beaulieu M: Demystifying chronic kidney disease: Clinical caveats for the family physician* 6:304
- Beever R: COPD series (c) 5:242
- Benedet JL: Drs Krisman, Nickerson, and Carpenter: Three truly good guys (gg) 8:462
- Bertrams K: CAST concerns (c) 1:14; Re: CAST replies (c) 4:185
- Bhalerao S: Atypical antipsychotics, schizophrenia, and cardiovascular risk: What family physicians need to know* 8:444
- Billing Integrity Program (sf) 5:244
- Bitzikos O: Listeriosis awareness among pregnant women and their health care providers in British Columbia (cdc) 7:398; The authors respond (c) 9:492
- Blondel-Hill E: How British Columbia physicians can address antibiotic resistance (cdc) 8:443
- Bluman R: Supporting lifelong learning for physicians: Continuing professional development and knowledge translation* 7:393
- Borugian M: Breast cancer screening and diagnosis in British Columbia* 4:198
- Braid S: Traveling soon? (pu) 4:192; Extended health and dental claims deadlines (pu) 5:269; When you're going on vacation (pu) 5:269; MEDOC travel insurance (pu) 6:333; New member benefit (pu) 6:333; Reduce tax burden by enrolling in the BCMA Core-Plus Plan (pu) 7:405; Core-Plus Plan open enrolment period ends 31 Oct 2008 (pu) 8:465; Improvements to the Office Overhead Insurance plan (pu) 8:465; Disability plan enhanced (pu) 9:519; Integration of PDI with other disability insurance (pu) 10:578
- Brant DJ: Re: Addiction (c) 6:291
- Brodie B: Dr Gurmeet Singh (Gary) Randhawa (im) 2:68
- Buchanan L: Management of the newborn delivered at the threshold of viability* 9:498
- Burak AJ: Re: Inquiring minds: Insurance lawyers and their requests to talk to physicians (c) 9:491
- Burns J: A multidisciplinary approach to the treatment and management of chronic obstructive pulmonary disease* 3:143
- Burrill D: Good work! Could do better (c) 8:439
- Byrne C: The other dual diagnosis: Developmental disability and mental health disorders* 6:319
- Cadenhead K: A primer on current nutritional issues—What our patients should know (cohp) 7:400
- Cambon E: Dr Jacoba (Julia) van Norden (im) 4:214; Dr Hedwige E. Chodos (nee Habegger) (im) 9:522
- Camp PG: A snapshot of chronic obstructive pulmonary disease in British Columbia and Canada* 2:80
- Casiro O: Maldistribution of physicians in BC: What we are trying to do about it* 7:371
- Cavers B: Dr Cavers replies (c) 1:13; Community-based mental health initiative: Patients and GPs to benefit (gpssc) 2:63
- Chapman DB: They grow up so fast (ed) 8:434
- Cheek J: "Conversation" yields consensus (c) 4:186
- Cheek T: Re: Old Harrison's (c) 8:439
- Chisholm R: Atypical antipsychotics, schizophrenia, and cardiovascular risk: What family physicians need to know* 8:444
- Chong M: Regional variations in antibiotic consumption in BC (cdc) 10:576
- Chritchley J: Meeting the information needs of family physicians in the complex world of cancer control* 4:194
- Clarkson PW: Soft tissue sarcomas of the extremities: How to stay out of trouble* 6:310
- Clendenning L: Learning on demand: online AV (lib) 1:31; Mindfulness and the busy physician (lib) 5:240; Healthy offices, healthy patients (lib) 7:401; Getting greener with *Cites & Bytes* (lib) 9:524
- Coleman D: CAST concerns (c) 1:14; Re: CAST replies (c) 4:185
- Comberbach: Catastrophically injured patients and ICBC's rehabilitation department (icbc) 8:441
- Comondore VR: The impact of sleep deprivation in resident physicians on physician and patient safety: Is it time for a wake-up call?* 10:560
- Conlon M: The implementation of a physician workload system in an academic health care setting: The Physician Activity Information System (PhAIS)* 10:565
- Cook VJ: The burden of tuberculosis in Aboriginal communities of BC (cdc) 4:219
