

## INDEX TO BRITISH COLUMBIA MEDICAL JOURNAL VOLUME 51—JANUARY–DECEMBER 2009

An asterisk (\*) indicates a clinical review article. Back Page (bp), BC Centre for Disease Control (cdc), Editorials (ed), correspondence (c), Council on Health Promotion (cohp), opinions (op), General Practice Services Committee (gpsc), In Memoriam (im), Insurance Corporation of British Columbia (icbc), College Library (lib), Medical student column (md2b), Physician Information Technology Office (pito), Pulsimeter (pu), Special Feature (sf), and WorkSafeBC (wsbc) items are noted by abbreviations. Location of article is by issue number followed by beginning page number.

- Abdulla S: Helping medical students consider a career in rural and northern British Columbia (md2b) 6:242
- Abizadeh J: An assessment of British Columbia rural physicians' continuing professional development needs\* 6:250
- Adam S: What can genomics do for health care?\* 7:298
- Ainsworth G: Sedation adverse effects (c) 10:424
- Andrade J: Ancel Keys and the lipid hypothesis: From early breakthroughs to current management of dyslipidemia\* 2:66; Dr Aneez Shiraz Mohamed (im) 2:81; Validity of carotid intimal-medial thickness as a surrogate endpoint for atherosclerosis: Lessons from the ENHANCE trial\* 4:168; Alcohol and the heart\* 5:200; Jeremy Swan and the pulmonary artery catheter: Paving the way for effective hemodynamic monitoring\* 7:302; Atrial fibrillation: Advances in management\* 10:440
- Arif S: Flu protection for physicians (c) 6:239
- Arruda W: Why is Baby Charlie failing to thrive? (cohp) 4:157
- Ashwell S: Great *BCMJ* covers (c) 1:8
- Auk B: Botulism: A decade in review—1996 to 2007 (cdc) 3:130
- Barr AM: Delirium after cardiac surgery: A retrospective case-control study of incidence and risk factors in a Canadian sample\* 5:206
- Barton WP: Another unwanted plastic bag (c) 6:245
- Barzelai L: Dr Gerry Bermann (im) 5:211
- Bayliss M: Jeremy Swan and the pulmonary artery catheter: Paving the way for effective hemodynamic monitoring\* 7:302
- Bhopal JS: The patient-centred interview and international medical graduates: A preliminary view\* 6:246
- Blair NP: EMRs and specialists (c) 5:190
- Bluman B: An assessment of British Columbia rural physicians' continuing professional development needs\* 6:250
- Boerkoel CF: What can genomics do for health care?\* 7:298
- Boggie A: Re: BC needs another medical school (c) 6:243
- Borugian MJ: The top issues patients mention when family physicians recommend screening mammography\* 10:436
- Braid S: New preferred life insurance rates (pu) 1:27; Key points to critical illness insurance (pu) 9:405; MEDOC travel coverage and H1N1 (pu) 9:405
- Brandt L: Public transit (c) 2:55
- Brodie B: Keeping docs afloat in tough times (op) 6:238; Three ways to promote good health (op) 7:282; Top 10 ways for physicians to protect themselves, their office staff, and patients from the flu (op) 8:334; Cell phone use and driving—the end of an era (op) 9:382; Christmas—it's all about the meaning of the season (op) 10:423
- Burns KD: Delirium after cardiac surgery: A retrospective case-control study of incidence and risk factors in a Canadian sample\* 5:206
- Burr L: Re: *UBCMJ* (c) 8:336
- Bussiére M: Re: CAS (c) 7:284
- Buxton JA: Harm reduction in British Columbia (cdc) 4:158
- Cadenhead K: BC's new trans fat regulation (cohp) 6:268
- Cardwell P: Dr David McDonald Cardwell (im) 5:213
- Carruthers DB: Silicosis (wsbc) 6:265
- Chamberlain C: Med student journal launched (c) 6:245; *UBCMJ* launch event (pu) 8:357
- Chamberlain E: Random breath testing: A needed and effective measure to prevent impaired driving fatalities (cohp) 10:446
- Chan AP: Dr Nicholas Marinatos (im) 1:33
- Chan AW: Carotid artery stenting by a cardiovascular services department in Canada\* 1:14; Re: CAS (c) 9:383
- Chang Y: Botulism: A decade in review—1996 to 2007 (cdc) 3:130
- Chapman DB: An Oedipus complex (ed) 5:189
- Cimolai N: *Streptococcus pyogenes* is alive and well\* 3:122
- Clark G: Controlling H1N1 exposure in physicians' offices (wsbc) 10:434
- Cledenning L: Library launches simple search tool (lib) 1:34
- Conlon M: Correction: PhAIS (pu) 1:29
- Cooper K: Rabies in BC: A prophylaxis guidelines update (cdc) 2:82
- Copes R: Bottled vs tap water (cohp) 3:112; New materials on air pollution and health for physicians (cohp) 9:401
- Cota A: Lecturer conflicts of interest in medical school education: Raising the bar in BC (md2b) 4:162
- Courtemanche DJ: Re: EMRs for specialists (c) 10:425
- Cramb L: BC's new trans fat regulation (cohp) 6:268
- Cundiff GW: Putting the FDA notifications in perspective\* 8:351
- Dahl M: Let's support naturopathy (c) 4:150
- Dance D: Removal of ear canal foreign bodies in children: What can go wrong and when to refer\* 1:20
- Day B: Politicians, economists, and lawyers: Who will save us? (ed) 7:281
- Deans G: Swine-origin influenza virus: What the clinician needs to know (cdc) 6:257
- de Couto J: Glass houses (c) 8:336
- Denny P: New office and wireless phone deal (pu) 2:84
- Deyell M: Atrial fibrillation: Advances in management\* 10:440
- Dharamsi S: Language skills of UBC medical students: Working toward cultural competency in health care (md2b) 3:108
- Dines G: GPSC and HealthLink BC pilot mental health and addiction resource directory (gpsc) 3:107; New mental health practice support program module to launch June 2009 (gpsc) 4:155; New GPSC incentive support physicians in planning for palliative care and acute care discharge (gpsc) 5:199; Specialized training and support in mental health (gpsc) 7:309; GPSC annual report highlights 2008/09 successes (gpsc) 8:340; Improved mental health care with FPs and patients as partners (gpsc) 9:387
- Draper J: Correction: PhAIS (pu) 1:29; Miracles, medicine, and MOCAP (sf) 7:313; *BCMJ* replies (c) 9:385
- du Souich C: What can genomics do for health care?\* 7:298
- Elwood K: Immigration medicals: What's the point? (cdc) 8:341
- Evans S: Bottled vs tap water (cohp) 3:112
- Evoy B: Divisions of Family Practice—regional groups quickly solving problems at the community level (gpsc) 10:451
- Fediuk K: Why differences in tuna limits? (c) 6:239
- Fenster HN: Complications of surgical mesh for pelvic organ prolapse and stress incontinence—FDA notifications worth heeding\* 8:350
- Fraser GC: Out of characters (bp) 3:142; A lesson learned from working with children (bp) 8:374; Going, going, gone (bp) 10:470
- Frayne A: Re: Solving the primary care crisis (c) 3:103
- Frohlich J: Ancel Keys and the lipid hypothesis: From early breakthroughs to current management of dyslipidemia\* 2:66
- Fung J: Botulism: A decade in review—1996 to 2007 (cdc) 3:130
- Galanis E: Rabies in BC: A prophylaxis guidelines update (cdc) 2:82
- Gardiner F: Cervical cancer web site launch (pu) 6:264

- Gelmon KA: The top issues patients mention when family physicians recommend screening mammography\* 10:436
- Gilbert M: Recent trends in chlamydia and gonorrhoea in British Columbia (cdc) 10:435
- Giligson A: Re: BC needs another medical school (c) 6:243
- Gilmore J: Genius cover (c) 7:284
- Gin KG: Alcohol and the heart\* 5:200
- Gray R: Supporting family physicians in British Columbia: The experience of the Practice Support Program\* 9:394
- Greenstone G: A commentary on cholera: The scourge that never dies\* 4:164; The roots of evidence-based medicine (op) 8:342
- Gunn SWA: Book review: *Brock Chisholm, the World Health Organization, & the Cold War* (pu) 6:262; Dr William C. Gibson (im) 8:338
- Haigh SE: Keeping up with the good old days (ed) 4:149
- Hamilton N: Dr James C. (Jim) Osborne (im) 5:212
- Henry B: Swine-origin influenza virus: What the clinician needs to know (cdc) 6:257
- Heydari B: Jeremy Swan and the pulmonary artery catheter: Paving the way for effective hemodynamic monitoring\* 7:302
- Hildebrand L: Dr Henry Hildebrand (im) 1:32
- Hill R: Dr Henry Dunn (im) 2:79
- Ho K: An assessment of British Columbia rural physicians' continuing professional development needs\* 6:250
- Hollander MJ: Supporting family physicians in British Columbia: The experience of the Practice Support Program\* 9:394
- Honer WG: Delirium after cardiac surgery: A retrospective case-control study of incidence and risk factors in a Canadian sample\* 5:206
- Hottes T: BCCDC responds (c) 8:335
- Hunt HG: Dr John Egerton Hunt (im) 2:80
- Hwang H: Warning: "safety" scalpels are dangerous (c) 3:103; Re: EMRs and specialists (c) 7:283; Excellent outcomes after establishing laparoscopic colon surgery in a nonacademic regional hospital\* 9:390
- Ibbott B: Dr Edward John Gray (im) 1:34
- Ignaszewski A: Ancel Keys and the lipid hypothesis: From early breakthroughs to current management of dyslipidemia\* 2:66; Validity of carotid intimal-medial thickness as a surrogate endpoint for atherosclerosis: Lessons from the ENHANCE trial\* 4:168; Jeremy Swan and the pulmonary artery catheter: Paving the way for effective hemodynamic monitoring\* 7:302
- Isaac-Renton J: Botulism: A decade in review—1996 to 2007 (cdc) 3:130
- Janssen P: New master of public health degree (pu) 7:291
- Jarvis-Selinger S: An assessment of British Columbia rural physicians' continuing professional development needs\* 6:250
- Jenkins W: Delirium after cardiac surgery: A retrospective case-control study of incidence and risk factors in a Canadian sample\* 5:206
- Jensen LA: Dr Laura Jensen joins ICBC as new medical community liaison (icbc) 1:25; Tips for performing a physical examination of the neck in whiplash-associated disorders (icbc) 2:60; Nonorganic findings—What are they? (icbc) 3:106; Resources for whiplash-associated disorders (icbc) 4:156; Investigations and whiplash (icbc) 5:214; Medical billing and ICBC (icbc) 6:256; Injury claims—part one (icbc) 7:308; Injury claims—part two (icbc) 8:339; Independent medical exams and examiners (icbc) 9:389; Medical authorizations and reports (icbc) 10:433
- Jurenka B: Sexual Assault Service (c) 8:354
- Kallstrom L: Evaluation of the Practice Support Program (pu) 2:64; Supporting family physicians in British Columbia: The experience of the Practice Support Program\* 9:394
- Kan L: The top issues patients mention when family physicians recommend screening mammography\* 10:436
- Kardera EP: Dr Douglas Graham (im) 4:153
- Kendall P: The Provincial Health Officer replies (c) 6:239
- Kerr C: Atrial fibrillation: Advances in management\* 10:440
- Khalil T: The patient-centred interview and international medical graduates: A preliminary view\* 6:246
- Kljajic G: From Olympus to Whistler (c) 9:384
- Kosatsky T: Outdoor air quality: A primer for BC physicians (cdc) 7:289
- Lai JK: A study of information technology use and implementation of electronic medical record systems in BC medical practices\* 3:114
- Lau F: A study of information technology use and implementation of electronic medical record systems in BC medical practices\* 3:114
- Lawson DM: Book review: *Your Healthy Brain: A Personal and Family Guide to Staying Healthy and Living Longer* (pu) 1:28
- Lawson LM: Book review: *Uppity Women We Are! 100-Year History of Medical Women of British Columbia (1893–1993)* (pu) 2:64; Two health care systems (ed) 6:237
- Levy N: Solving the primary care crisis—A proposed strategy for physician allocation (md2b) 1:12
- L'Heureux R: Criteria for sedation of psychiatric patients for air transport in British Columbia\* 8:346
- Liman Y: An assessment of British Columbia rural physicians' continuing professional development needs\* 6:250
- Littlejohn B: Re: Ready or not (c) 7:287
- Lownie SP: Re: CAS (c) 7:284
- Ludemann JP: Removal of ear canal foreign bodies in children: What can go wrong and when to refer\* 1:20
- Lydon PP: Dr Myre Sim (im) 9:386
- MacCarthy D: Divisions of family practice: New initiative of General Practices Services Committee (gpse) 2:59; Supporting family physicians in British Columbia: The experience of the Practice Support Program\* 9:394
- MacDonell K: Library launches simple search tool (lib) 1:34; A retiring librarian? (lib) 3:129; Library resources: A focus on Down syndrome (lib) 5:215; From abstract to article (lib) 7:288; Coming soon to your neighborhood (lib) 9:400
- Mackie JW: Scope of practice: First, do no harm (op) 1:6; A whole new ball game (op) 2:54; Healthy patients, happy doctors (op) 3:102; Let's get moving (op) 4:152; Organic tobacco and biodegradable butts (op) 5:193; New materials on air pollution and health for physicians (cohp) 9:401
- Malbranche D: Young docs drop drawers for prostate cancer research (pu) 6:264
- Mancini J: Validity of carotid intimal-medial thickness as a surrogate endpoint for atherosclerosis: Lessons from the ENHANCE trial\* 4:168
- Mangat B: Language skills of UBC medical students: Working toward cultural competency in health care (md2b) 3:108
- Mann M: Language skills of UBC medical students: Working toward cultural competency in health care (md2b) 3:108
- Marshall M: Re: Solving the primary care crisis (c) 3:104
- Martin C: Updates from the WorkSafeBC (wsbc) 7:296; What's new in the literature: Nonspecific low back pain (wsbc) 8:359
- Matthews JV: A few extra minutes (c) 4:150
- Maultsaid D: New rural CPD/CME program (pu) 6:263
- McComb P: Dr Frederick Edward Bryans (im) 5:212
- McCracken J: Guide to Drive (pu) 1:28; 2:83; 3:131; 4:174;
- McElhaney JE: Canada's coming of age: How demographic imperatives will force the redesign of acute care service delivery (cohp) 7:310
- McGhee D: Thinking outside the bag (c) 9:385
- McMahen I: Ready or not (c) 5:190
- McNestry A: Occupational exposure to inorganic lead (wsbc) 9:388
- Melrose R: Library resources: A focus on Down syndrome (lib) 5:215; From abstract to article (lib) 7:288; Coming soon to your neighborhood (lib) 9:400

## INDEX TO BRITISH COLUMBIA MEDICAL JOURNAL VOLUME 51 — JANUARY–DECEMBER 2009

An asterisk (\*) indicates a clinical or review article. Letters to the editor (c), Editorials (ed), Back Page (bp), BC Centre for Disease Control (cdc), College Library (lib), Comment (op), Council on Health Promotion (cohp), In Memoriam (im), Insurance Corporation of BC (icbc), Medical Student Column (md2b), Physician Information Technology Office (pito), Point•Counterpoint (pcp), Premise (op), Pulsimeter (pu), Special Feature (sf), and Work-SafeBC (wsbc) are noted by abbreviations. Subentries are listed alphabetically. Location of articles is by issue number followed by beginning page number.

### **ACCIDENTS See also INSURANCE CORPORATION OF BRITISH COLUMBIA, WORKSAFEBC**

Dr Laura Jensen joins ICBC as new medical community liaison (icbc) (Jensen LA) 1:25

Random breath testing: A needed and effective measure to prevent impaired driving fatalities (cohp) (Pursell R, Solomon R, Chamberlain E) 10:446

### **ACUTE CARE DISCHARGE**

New GPSC incentives support physicians in planning for palliative care and acute care discharge (gpsc) (Dines G) 5:199

### **ADVERSE EFFECTS**

Reporting side effects (pu) 4:160

Sedation adverse effects (c) (Ainsworth G) 10:424

### **AIR AMBULANCE**

Air transport cover (c) (Ryder CA) 10:424

Air transport cover (c) (Schofer RD) 10:424

Air transport cover (c) (Wheeler S) 10:424

Air transport cover (c) (Wong J) 10:424

Criteria for sedation of psychiatric patients for air transport in British Columbia\* (Wheeler S, Wong B, L'Heureux R) 8:346

Sedation adverse effects (c) (Ainsworth G) 10:424
